Tech Tra PlastiCE

Co-funded by the European Union

Developments

Developments

This form aims to collect information about the developments offered by your institution. The data provided will be integrated into the official TechTraPlastiCE repository, facilitating connections between universities and productive sectors, and enhancing the impact of our collective capabilities.

Deadline: 27/10

* Please note: this is a required question.

University *

Your answer

Short title *

Maximum character limit: 45

Your answer

Subtitle *

Short title extension (one line). Maximum character limit: 75

Your answer

Description *

Brief description of the capability in English. Maximum character limit: 1200

Your answer

Potential benefits or impact *

What problem does it solve and what value does it provide? Maximum character limit: 300

Your answer

Technology Readiness Level (TRL) *

- ☐ *TRL 1: Basic principles observed*
- ☐ *TRL 2: Technology concept formulated*
- ☐ *TRL 3: Experimental proof of concept*
- ☐ *TRL 4: Technology validated in laboratory*
- ☐ *TRL 5: Technology validated in relevant environment*
- ☐ *TRL 6: Technology demonstrated in relevant environment*
- ☐ *TRL 7: System prototype demonstration in operational environment*
- ☐ *TRL 8: System complete and qualified*
- ☐ *TRL 9: Actual system proven in operational environment*

Results achieved so far *

☐ *Publications* ☐ *Patent* ☐ *Prototype* ☐ *Other:*

Area of application *

- ☐ *Plastics*
- ☐ *Energy*
- ☐ *Health*
- ☐ *Food*
- ☐ *Chemistry*
- ☐ *Other:*

Representative image of the development *

Drive link with at least one representative image of the development. Please ensure the link has public access. Web display dimensions: 1200 × 348 px. Printable version: 172 × 172 px.

Your answer

Development keywords *

Please provide up to three keywords that describe this development

These will help classify and search for the capability within the repository.

Your answer

Contact *

Please indicate who should be contacted for inquiries regarding this information.
