<b>Title :</b>	D6.1. Quality assurance plan
<b>Work Package :</b>	WP6 – Project management and Quality assurance
<b>Description :</b>	This document reports a quality plan that includes the criteria and indicators to take into account in the project development. It aims to provide sufficient mechanisms and instruments approved by mutual agreement to ensure compliance with the project's objectives and indicators with high-quality standards and delimiting decision-making elements. Also, it will specify the means of communication, frequency and the external advisory board that will join the project.
